We are looking for a caring community orientated registered nurse, experienced in general practice who can offer efficient quality clinical support to our General Practitioners.

**The successful applicants must have:**

Experience with Pracsoft and Medical Director medical software.

**Duties will include but will not be limited to:**

- Chronic Disease Management
- Health Assessments and Team care arrangements
- Treatment Room Management

**Skills required:**

- Outstanding time management skills with great attention to detail
- Flexibility and enthusiasm
- Experience as a Registered Nurse in a General Practice environment
- Intermediate computer skills
- Excellent Customer service skills
- Wound care management
- Experience in Childhood Immunizations
- ACIR paperwork
- Stock control
